

## **Frequent Flyer Donation Program**

Have you accrued Frequent Flyer miles that you aren't going to use?

***Let us put them to good use!***

**Many important parts of our program require travel:** sending committee members on delegations to El Salvador, bringing Salvadoran leaders on U.S. tours, and traveling within the US to attend national CISPES gatherings, including our bi-annual convention, national conferences, leadership trainings, etc. Although we certainly don't spend extravagantly on travel, we would still like to bring this expense as close to zero as possible. **Your donation of miles will allow us to increase our participation in national organizing!**

*\* The amount of miles you donate must be enough to cover one round trip flight (usually 25,000 domestic and 35,000 international). Otherwise we cannot use them because airlines do not let us combine miles from multiple accounts.*

***THANK YOU!***
