Dear Ms. Breny Herrera,

I am pleased to hear of your upcoming speaking tour of the U.S and my organization would like to meet with you during your visit to Washington, DC. I understand you will be touring the East Coast from July 5-19, 2009 and we are anxious to help host you in our city.

We have begun arrangements for you to meet with our membership, and are planning public speaking events and meetings with leaders of women's groups. It will be an honor for us to hear your testimony about your experiences as a national leader of the women's movement in El Salvador.

Sincerely,

Mackenzie Baris
Lead Organizer
