

BE A PART OF THE TRANSFORMATION IN EL SALVADOR!!

April/May 2012: Medical and Community Health Brigade!

The Ministry of Public Health has formed hundreds of community health teams to provide services in areas that previously had little to no access to health care, but they are in urgent need of personnel and supplies!

Community health team members in action!

Community leaders throughout El Salvador are calling for **international solidarity** and hands-on support for the new **people-centered** initiatives under the **first** progressive government. Help CISPES heed the call and **join us** in El Salvador!

March 2012: Elections Observation Delegation!

El Salvador will hold Legislative and Municipal Elections on March 11, 2012. International observers will play a critical role in monitoring this important election.

July 2012: Literacy Brigade!

Calling all students, teachers, adult education specialists (and everyone!) to help the Ministry of Education achieve its incredible goal of eliminating illiteracy.

Over 59,000 people graduated in the 2nd year of the literacy program
